

How to Use This Prompt

Using this prompt is simple and straightforward. Copy the prompt text below and paste it into Chat GPT. Before hitting send, make sure to take out the text in brackets to replace with your content. For example [your brand name] to Rocky Mountain Code.

Prompt Text

Copy all text below and paste into Chat GPT:

Blog Title:

Keyword: *i.e digital marketing, plumbing services*

Tone of voice: *i.e persuasive and engaging, funny, light, etc*

Write me a blog article that is up to 1200 words using the information provided above. I want the article to be keyword rich, while still being easy to read and follow. I need clear headings and sections within. Use the tone of voice as the language for the article.

Final Notes

Please feel free to use this prompt as often as you like. If you do share with others, it wouldn't hurt to mention where it came from! With the prompt text above feel free to re-word it so that it follows what you need for each article.

Keep in mind the prompt text above will give you a full article, BUT please make sure to read through all the content for accuracy and to make sure it follows what you are trying to convey in your article.

Happy writing!
